

Knox County Symphony Winter Concert - Saturday, February 2, 2019 - Campus Parking

Due to ongoing construction on the Kenyon College campus, **there is no parking available directly adjacent to our Rosse Hall concert venue.** This map displays locations of available parking lots in Gambier. If you have questions please call 616-490-9988. Car pooling is encouraged.

Handicap accessible parking is available in several locations. The first is in the parking lot behind Kenyon's Science Quadrangle. A stair-free walking route to Rosse Hall will be marked with signage. Weather permitting, a golf cart shuttle for mobility impaired patrons will operate between the Science Quad parking lot and Rosse Hall from 7:15 - 8:00 p.m. and again at the conclusion of the concert. Other handicap accessible parking is located off of College-Park Street, a short walk across Middle Path from Rosse Hall.

If you have a mobility issue and plan to attend, please call 616-490-9988 to let us know.
